

## CALLING ALL LEASEHOLDERS!

### Suggested Agenda:

1. Get to know your fellow leaseholders - introductions
2. Thought sharing – what’s working and what isn’t
3. To become or not to become an association, a council or a committee?
4. To meet or not to meet? If yes, when and how often?
5. Other topics? Suggestions?

*If you’d like a summary of the meeting, please send us your Email address: [kamustie@gmail.com](mailto:kamustie@gmail.com) or [silvia.aarlaht@gmail.com](mailto:silvia.aarlaht@gmail.com)*

The idea of a leaseholders association has been floated around for a few years now and with the current growth of our Seedriou community, now seemed like a good time to come together.

Please come and bring whatever thoughts you have as well as a sunny disposition!

Feel free to share issues and concerns but be prepared with a solution – if you don’t have one, maybe collectively we can figure it out.

No RSVP Required
